The Joan Nicole Prince Home, a community home for the terminally ill, is offering caregiver training to the community and to potential volunteers.

Utilize the Home's experience and reputation
to learn "hands-on" caregiving skills.

Compassionate and caring individuals needed to assist with resident caregiving in a beautiful homelike environment.

The Home is looking for individuals wishing to "make a difference" by caring for people who lack the support and options to remain at home during their final days. Volunteers are needed to help provide care to two residents in their last months of life. Training and ongoing support is provided for JNP Home Volunteers.

Volunteer Training Program will be held at the JNP Home on:

Tuesday, January 31, 2017 and Thursday, February 2, 2017

4:00PM-9:00 PM (*pre-registration requested*)

Please bring a bag lunch
